May 7, 2021

Hello Everyone,

On behalf of the Florida Family Child Care Home Association, I send heart-felt appreciation to all Child Care Providers/Early Learning Educators on this well-deserved honor on May 7, 2021.

As professional educators, our job takes us towards a new era of "learning all we can" when it comes to children, families, communities, agencies and even ourselves. As a family child care provider, myself, I am aware about the "Hard Work and Dedication" you have to put into this profession and congratulate everyone for their success.

I am so thankful for everyone in their perspective places with your caring hearts, your patience, and being an awesome team player with a wealth of expertise and knowledge.

Child Care Providers/Early Learning Educators - Thank you again for your "Labor of Love" in this Child Care Profession. You have shown over and over, time after time, that all the extra effort you put into your work, makes your job more rewarding and enjoyable!

On May 7, 2021, let us all stand together and continue to make a great difference in the Early Child Care Profession for the children and communities we serve.

Sincerely yours,

Lois Kendrick
