*...quality care from providers with love to share*

April 10, 2025

Dear Parent Member,

All year long your child care provider gives to your child and family from their heart. **Friday, May 9th** is a day to give back. **Provider Appreciation Day** is the national day of recognition for child care providers. This day was purposely selected to be celebrated annually on the Friday before Mother's Day. It is a day to give a special "thank you" to providers for their dedication to this profession.

**Parents** with children in child care are encouraged to take this day to **show their child care provider how much they appreciate her/him.** It takes a very special and **dedicated person** to work in this field and their contribution to the quality of family life frequently goes unnoticed. Do not let this day go by without a special thank you to this person who is so important to your child. It does not have to be an elaborate gift, nor do you have to spend a lot of time or money. A nice thank you card or a letter of appreciation from you and your child would mean the world to them.

A few suggestions for a **special** 'thank you' are:

- ❖ Get together with other parents to create a surprise
- ❖ Send flowers or a plant for the yard
- ❖ Bring lunch for the provider and children
- ❖ Buy learning materials or equipment for the play area
- ❖ Work with your child to create a special remembrance
- ❖ Provide a gift certificate for their hobby or special interest
- ❖ Gift card for a local restaurant, movie theater, or nail salon
- ❖ Sponsor provider to attend the FFCCHA conference in June

Florida Family Child Care Home Association **Thanks You** for taking the time to select a quality family child care environment for your child.

Sincerely,

*Arleen Lambert*
