What is the National Association for Family Child Care?

The National Association for Family Child Care is a non-profit organization dedicated to strengthening the profession of family child care by partnering with state and local associations, promoting a professional accreditation program, advocating for family child care providers at the policy level, and promoting diversity in the field of family child care.

Who should become a member?

NAFCC Membership is open to anyone who has an interest in supporting the family child care field: providers, parents, advocates, consultants, trainers, and organizations.

Support the field of family child care today by becoming a member!

Accreditation

NAFCC sponsors the only nationally recognized accreditation system designed specifically for family child care providers. This research-based program reflects the "many right ways" providers can demonstrate quality. Accreditation benefits the provider's program and the children and families they serve by insuring a high quality of care and improved daily operations.
